### About the Project

CULTURAL EMPOWERMENT OF ADULT LEARNERS (CEAL) is an Erasmus+ Strategic partnership in adult education between 4 adult learning organizations in Europe: Finska folkhögskolans stiftelse from Sweden, RAIDO from Poland, Ulearn Cyprus, and CSV Belluno Italy

The project aimed to establish a partnership for creativity between organizations that work with adult students, including those with disabilities or from disadvantaged groups, to stimulate European awareness, enhance skills development, boost quality and innovation, enhance digital and communicative skills, and contribute to the recovery resilience of the cultural and creative sectors against covid19 pandemic negative effects.
